## International Note Cards for Sale

Sponsored by  
**IFHE-US Development Fund**

Please join us in celebrating the 100<sup>th</sup> Anniversary of the worldwide organization, The International Federation for Home Economics (1908-2008).

For this occasion we have created a set of note cards illustrating activities in countries and societies around the world. The images are photographs taken by our members. Each packet of note cards includes 3 copies of 4 different images. The set of 12 cards sells for \$10 USD.

To order, send your name, address and number of packets with checks made out to the "IFHE-US Development Fund". Send to:
