Purpose...

The Ohio Association of Family and Consumer Sciences award three scholarships every year to students who have academic ability and show professional promise. Students are greatly needed in all professional areas of Family and Consumer Sciences. It is hoped that those who are eminently suited for careers in this field may avail themselves of this opportunity.

Scholarship Awards...

OAFCS will award (3) \$1,000 scholarships to students enrolled in Family and Consumer Sciences who have completed a minimum of one term with a cumulative grade point average of at least 3.0 on a 4.0 scale. Scholarships are for one year, with the entire scholarship paid during that first semester. Scholarship monies are paid directly to the college or university attended. Expected graduation date and number of credits remaining will be considered for applicants with senior status.

Evaluation...

Evaluation of all scholarship applicants will be based on:

1. Academic performance
2. Organizational participation and leadership potential
3. Community Service
4. Enrollment in Family and Consumer Sciences
5. Financial plans and resources
6. Completeness of application and materials
